2nd March 2020

Dear Parents / Carers,

As you will be aware, the corona virus is spreading at an alarming rate. Any major decisions regarding school will be made by the Government and Public Health England.

At St. Sebastian's, however, in order to keep those in our school community as safe as possible, we will continue to take certain precautionary measures. These include temporarily suspending whole school assemblies (where the children all gather together) and staggering lunchtimes. Pupils will be reminded how to wash hands thoroughly and will be encouraged to wash their hands frequently. Please could you re-enforce this at home. Whilst we do not want to cause alarm to the children, it is important that we all take as much care as possible with hygiene.

If possible, could you please send in a water-bottle with your child which can be taken home every afternoon for washing. For those families where this is not possible, cups will be provided for the children to drink out of.

If you have any questions, please do not hesitate to get in touch. Thank-you for your support.

Yours faithfully,

Miss Donoghue
